## LANGUAGES

- English: Fluent
- French: Fluent
- German: Basics

## PROFILE

Passionate web integrator with solid expertise in WordPress and PrestaShop, and a strong sensitivity to responsive design and accessibility.
After working on several projects focused on user interfaces, I gained significant experience in creating efficient, user-centered websites.
I have also developed an interest in building interactive applications through React and Flutter, aiming to broaden my skills in modern front-end development.

## WORK EXPERIENCE

**ALLBYWEB**                                                      2021 - 2024
Front-end Developer
